### EXPERIENCE

Dyson: 2019-present

*Sales Expert*

Having 2 years experience as a professional, educator-expert. At Dyson I build my opportunities and skills. These skills include:

- Selling, and managing products as an individual.
- Working in team settings as a vendor for BestBuy.
- Providing excellent social skills and positivity between clients and employees.
- Working in a timely, organized manner having all tasks completed before and end of shift.
- Meeting brand expectations, standards for month to month sales, as well as year over year bonus.
- Able to handle difficult / challenging situations and/or questions.

Freelance Graphic Design work: 2017-present

*T-Shirts, stickers, posters, logo branding, Identity making, advertisement, hoodies, & hats.*

- Ed Ariel Roofing Solutions included logo developing and branding to build the company creating brochures and t-shirts.
- Port Edwards Restaurant included advertising for a special event; Easter Brunch. This advertisement was made to promote on social media such as FaceBook and Instagram.
- Arctic Gaming included logo developing and branding for a client making a YouTube gaming channel.
- After Hours Before the Hours included logo development and branding for creating an illustration-styled logo for t-shirts.

---
